We Put Plumas in Bloom!

“PINE NEEDLE PICK UP 2012”

This PEPS project has continued to grow in popularity over the past 9 years and has been beneficial in reducing fire hazards, cleaning up property, and improving air quality by reducing burn piles.

We are limited to **the first 100 registrants**, so is important to sign up early to be assured placement on the list. Please note the following sign up procedures:

1. Complete the Registration Form (available soon by request and on www.plumaspeps.org) and send it along with your check for \$45 made payable to **PEPS**.
2. **Have your pine needle pile *curbside and accessible* to the pick up crew by 7:30 a.m., on the day of the pickup. *PLEASE DO NOT BAG THE PINE NEEDLES OR PINE CONES. We CANNOT ACCEPT branches, grass clippings, logs, rocks and clods of dirt.***
3. **PILE SIZE:** Your pine needle pile must be limited to 10' long x 4' wide x 4' high. If your pile exceeds these dimensions, please call Janet Grijalva at (530) 836-1062 to make special arrangements. You may be assessed accordingly.
4. **If you have any questions, please call Bill or Janet Grijalva at (530) 836-1062.**

We appreciate your effort in clearing pine needles from your home, eliminating individual burn piles and keeping our air clean!
